A poster for the Pulp UK Arena Tour. The background is a stylized Union Jack flag with red, white, and blue stripes. The word "PULP" is written in a red, metallic, embossed font inside a red rectangular border. Below it, the words "UK ARENA TOUR" are written in a blue, serif font with a white outline. The entire design is framed by a thick red border.

## Notes

1. This tour shall be conducted under Japanese influence. Loss of face shall be considered untenable.
2. If you have a problem then let myself, Curly or Roger know immediately. Bearing grudges and inter-departmental bickering is detrimental to the tour and counter productive.  
We don't do that.
3. For those of you who are directly employed by Pulp you will receive your per diem weekly in advance. See me, I'll probably be in catering.

4. Hotels:

When staying in hotels it is your responsibility to pay your own extras.

Be sure to formally check out when you leave hotels to get a zero balance to avoid complications later. The rooms are booked on the band's credit card and if extras have to be settled at a later date they will be charged back at the outstanding amount plus £30.00. This *will* find it's way back to you. This includes neglected mini bar bills. Yes, I always *forget* too.

If you don't intend to stay in any allocated hotels I'd appreciate 24 hours notice whenever possible so that I can cancel the rooms.

5. Punctuality

It is your responsibility to be in position on time for soundchecks, run throughs, shows, hotel departures, service station departures, load ins, load outs and anything else I may have omitted. Any timings in this itinerary should be double checked with either myself, Curly, Roger or your relevant crew chief.

### Running Times

We have to open doors on schedule every night in order to accommodate the video footage we show before each of the turns.

Bands will have to comply with soundcheck and on stage times. If Pulp need a longer soundcheck than usual we will get to the venue earlier. I'll let Curly know as soon as I do.

Intermission video times are as follows:

Doors - Denim: 40.00 minutes  
Denim - Edwyn Collins: 18.00 minutes  
Edwyn Collins - Pulp: 19.00 minutes

Backstage will be postered with running times for the day.  
Please remember to check these.

6. **Guests**

Really.

I will endeavour to accomodate any guests you might have.  
Unfortunately stretching venue capacity is not an option in arenas. It will be a case of first come first served. London is almost closed already. After 16.00 hours on showday don't ask. It's not that I won't want to it's just that I won't be able to. Soz'.

7. **Security**

Backstage security will be strict. Your laminates allow right of escort after the show but not before. This is to cut down on the amount of people who traditionally swamp backstage before Pulp go on. If there's someone special who needs to come back before showtime then ask Curly, Roger, Colin or myself and we'll sort something out. Also be aware that we are attracting an undesirable element who appear friendly but who are not to be trusted. They all carry cards bearing the initials N.U.J.

8. **Under no circumstances will intoxication of any kind be tolerated at work. Please confine your debauchery to your bunks / bedrooms until after load out is completed.  
Unless you're in the pop group.**

9. **We have two support bands for the duration of this tour;  
Denim and Edwin Collins.  
Please help them wherever and whenever possible.**

10. **If you're issued a float for any reason it must be accounted for with receipts / dates and a written breakdown.  
Consider the bank closed from 20.00 each night. It will only accept deposits from then onwards.**

Thank You.
